

The **E2i Student Design Challenge** is calling on current students and recent graduates to create innovative design solutions to enhance security and safety in public spaces.

### **Unleash Your Creativity for Community Safety and Security!**

This is your opportunity to raise the profile of your work and show how design innovation can increase people's sense of safety and security.

## Why Participate?

- \* Demonstrate the value of design in addressing real problems;
- \* Showcase your design skills, elevate your portfolio and gain international recognition;
- \* Win a place at the prestigious E2i Symposium in Brussels in July 2025 (travel and accommodation) and present your concepts to security experts and policymakers.
