

Welcome to the first edition of the Engage2innovate newsletter!

A Message from the Coordination team

We are excited to embark on this journey with you, dedicated to advancing security research and innovation across Europe.

Our mission is to bridge the gap between end-user perspectives and security solutions, fostering a collaborative environment for practitioners, researchers, and policymakers. Through our human-centred approach, we aim to support and enable meaningful and impactful innovations.

Stay tuned for updates, insights, and opportunities to engage with our vibrant community. Together, we can shape a safer future through engaged innovation.
